NAME OF TRAINING INSTITUTION	TRAINING LEVEL	TRAINING PROGRAMS
TNU-UE	Undergraduate majors	Pedagogies: Psychology Education
		Pedagogies: Psychology-Social Work Education
		Education Management
		Early Childhood Education
		Primary Education
		Political Education
		Physical Education: Physical Education
		Physical Education: Physical-National Defense Education
		Mathematics Education: Mathematics Education
		Mathematics Education:Mathematics taught in English
		Informatics Education
		Physics Education
		Chemistry Education
		Biology Education: Biology Education
		Biology Education: Biology taught in English Education
		Biology Educatio: Biology- Agricultural Technology
		Linguistics and Literature Education
		History Education
		Geography Education
		English Education
		Natural Science Education
		Psychology and Education
	Master programs	Mathematical Analysis
		Algebra and Number Theory
		Theory and Methodology of Mathematics Teaching
		Solid State Physics
		Theory and Methodology of Physics Teaching
		Organic Chemistry
		Analytical Chemistry
		Inorganic Chemistry
		Genetics
		Experimental Biology
		Ecology
		Theory and Methodology of Biology Teaching
		Vietnamese Literature
		Vietnamese Linguistics
		Theory and Methodology of Literature and Vietnamese Teaching
		Vietnamese History
		Geography
		Physical Geography
		Theory and Methodology of Geography Teaching
		Theory and Methodology of Political Science Teaching
		Theory and Methodology of Physical Education
		Pedagogics
		Pedagogics (Primary Education)
		Educational Management
		Mathematical Analysis
		Theory and Methodology of Mathematics Teaching
		Theory and Methodology of Physics Teaching

	Doctoral programs	Inorganic Chemistry
		Genetics
		Ecology
		Theory and Methodology of Biology Teaching
		Vietnamese Literature
		Vietnamese Linguistics
		Vietnamese History
		Geography
		Theories and History of Education
		Educational Management
TNU-US	Undergraduate majors	Tourism
		Management Science
		Law
		Biotechnology
		Geography
		Chemistry
		Environmental Science
		Biology
		Physics
		Chemical Engineering Technology
		Mathematics
		Applied Mathematics
		Pharmaceutical Chemistry
		Journalism
		Social Work
		Information - Library
		History
		English Linguistics (Major: English for Tourism)
		Natural Resources and Environment Management
		Literature
		Tourism Management
		Mathematics And Informatics
TNU-UT	Undergraduate majors	Mechanical Engineering
		Material Engineering
		Mechatronics Engineering
		Electrical and Electronics Engineering
		Control Engineering and Automation
		Electronics and Communication Engineering
		Computer Engineering
		Environment Engineering
		Construction Engineering
		Transportation Construction Engineering
		Manufacturing Technology
		Automobile technology Engineering
		Electrical and electronic Engineering
		Engineering education
		Industrial Economics
		Industrial Management
	Master programs	Mechanical Engineering
		Technical Mechanic
		Control Engineering and Automation
		Electrical Engineering
		Electronics Engineering
	Doctoral programs	Mechanical Engineering
		Control Engineering and Automation
TNU-UAF	Undergraduate majors	Biotechnology
		Post Harvest Technology
		Food Technology
		Vegetable, Flower, Fruit and Landscape Techlology
		Crop Science
		Agriculture Extension
		Agricultural Economics
		Rural development
		Animal Science and Veterinary Medicine
		Veterinary Medicine
		Aquaculture
		Pharmacy - Veterynary Medicine

		Land Management and Environment
		Land Management
		Environmental Science
		Natural Resource Economics
		Forestry
		Agro-Forestry
		Forest Resource Management
		Ecology and Biodiversity Conservation
		Environmental Science and Management
TNU-UEBA	**Undergraduate majors** Economics	Investment Economics
		Insurance Economics
		Social Insurance Economics
		Agricultural Economics and Rural Development
		Development Economics
		Health Economics
		Economics and Hospital Management
		Resources and Environmental Economics
		Economics and Human Resources Management
		Public Management
		Economic Management
		International Business (standard programs)
	Undergraduate majors Accounting	General Accounting
		Corporate Accounting (standard and exclusive programs)
		Auditing
	Undergraduate majors Business Administration	Business Administration (standard exclusive programs)
		Corporate Business Administration
		Trade Business Management
		Real Estate Business Management
	Undergraduate majors Banking	Corporate finance (standard exclusive programs)
		Banking finance
		banking
	Undergraduate majors Economic Law	Business Law
		International Trade Law
	Undergraduate majors Marketing	Marketing Management
		Marketing Communication Management
	Undergraduate majors Tourism and hospitality management	Tourism and Hospitality Management (standard exclusive programs)
	Master programs Business management	Business Administration
	Master programs Economics	Economic Management
		Agricultural Economics
	Doctoral programs	Economic Management
		Agricultural Economics
TNU-UMP	Undergraduate majors	Medicine
		Dentistry
		Preventive Medicine
		Pharmacy
		Nursing
		Medical Laboratory Techniques
	Master programs	Internal Medicine
		Surgery
		Pediatrics
		Preventive Medicine
	Doctoral programs	Public Health
		Pediatrics
		Gastrointestinal Medicine
	Residency programs	Internal Medicine
		Surgery
		Pediatrics
		Obstetrics and Gynecology
		Internal Medicine
		Surgery
		Obstetrics and Gynecology
		Pediatrics
		Public Health

	Speciality level I	Anesthesia
		Ophthalmology
		Tuberculosis
		Mental Health
		Otorhinolaryngology
		Family Medicine
		Dermatology
	Specialist level II	Internal Medicine
		Surgery
		Obstetrics and Gynecology
		Pediatrics
		Public Health
		Dermatology
		Otorhinolaryngology
TNU-UICT	Undergraduate majors	Information Technology
		Software engineering
		Computer Science
		Communications and computer Network
		Information Systems
		Information Safety
		Multimedia Communications
		Graphic Design
		Communications Technology
		Computer Engineering Technology
		Electronics and Electrical Engineering Technology
		Electronics and Communications Engineering Technology
		Control Engineering and Automation Technology
		Biomedical Engineering
		Management Information System
		Office Administration
		E-Commerce
		Bachelor of Electronics and Communications Technology (jointly cooperated between University of Information and Communication Technology - Thai Nguyen University and Fengchia University - Taiwan)
	Master programs	Computer Science
		Control Engineering and Automation Technology
		Electronics an Telecommunications Technology
		International Master of Business Administration (program jointly cooperated between University of Information and Communication Technology - Thai Nguyen University and Paris Graduate School Management - France)
	Doctoral programs	Computer Science
TNU-SFL	Undergraduate majors	English education
		Russian - English bilingual education
		Chinese-English bilingual education
		Chinese education
		Chinese – English bilingual education
		English language
		Russsian - English bilingual language
		English – Korean bilingual language
		French - English bilingual education
		Chinese language
		Chinese-English bilingual language
		Chinese-Korean bilingual language
	Master programs	English language
		Chinese Language
TNU-IS	Undergraduate majors (in English)	Accounting & Finance
		Business Administration
		International Business
		Management of Natural Resources and Environment
TNU LAO CAI BRANCH	Undergraduate majors	Management of natural resources and environment.
		Administration of travel and tourism services.
		Crop Science.
		Veterinary husbandry.
